Minutes:

Discussed it is important for children's voices to be heard. Why we have a school council to voice concerns, opinions and thoughts.

We regularly meet to discuss views and ideas.

Help to organise charity events, whole school and class events.

To suggest sensible ideas and improvements.

Ensure suggestions or concerns are listened to.

World Kindness Ideas:

Discussed ideas for world kindness day and had a vote for what the children would like to do. We went with the majority.

Majority in the meeting liked the idea of either making a kindness card or writing a message to someone.

They also said help someone if they fall over or play with a different person.

We discussed what could be done at home for kindness. They said help with chores like walk the dog or pick up laundry off the floor.

Make their bed. Be caring to siblings.

Concerns: Pupils were saying the grass is too long in Forest Schools and it is making them itchy. I said I would bring this to your attention.

Actions: The kindness card or writing of a kind message can be done in a Well-Being Wednesday session.

Meeting ended 3.05pm.
