

SEND parental questionnaire

2023

Recently you have reviewed your child's PSP (Personal support plan) with the class teacher and discussed your child's new targets.

We invite you to complete this questionnaire so we can gain valuable information about how you feel we are doing as a school. If you would like to talk about anything this questionnaire raises or anything from your recent meeting with your child's class teacher, please pop to the office and make an appointment.

Thank you for your help!
