

A knowledge organiser lists the necessary knowledge and vocabulary that the children should know by the end of the unit of work. Please work with your child at home to learn this information.

## Science Knowledge Organiser Year 1

### **Animals Including Humans - The Human Body**

#### Necessary Knowledge

- Children can name and locate different parts of the human body (head, chin, neck, shoulder, chest, elbow, arm, hand, tummy, knee, leg, foot).
- We have five senses - touch, taste, sight, smell, hearing.
- We touch with our hands.
- We taste with our tongue.
- We see with our eyes.
- We smell with our nose.
- We hear with our ears.
