

Art and Design knowledge organiser

A knowledge organiser lists the important facts, events or people and vocabulary that the children should know by the end of the unit of work. Please work with your child at home to learn this information.

Our focus

This term we will be looking at the artist Caroline Bell. She is a British artist who specialises in printing and painting. We will be learning about the colour wheel and how to mix primary colours to create secondary colours. We will be using natural materials to create a print picture in the style of Caroline Bell.
