

UTW & Creative Medium Term Plan – Summer 2

Week	<u>UTW</u> Explores and talks about different forces Talks about changes they notice	<u>Creative</u> Fixing and joining skills
1&2	Train track – notice that you have to push or pull the train to make it move Cars on ramps (wooden blocks / planks) – notice and talk about changes in speed / direction etc	Box modelling vehicles (using pva glue and sellotape)
3&4	Boats on water – notice and talk about how they float, but if they get water inside they tip over (capsize) and then sink	Butter tub boats (using pva glue and sellotape)
5&6		Split-pin bear (introduce the use of a split pin to join pieces together and make moveable legs and arms)
