NB: Please note as part of the health and safety regulations the children will practice a Fire Alarm each term and to practice emergency procedures. We do not call the lockdown by its official name, and this is to ensure the children are not more alarmed than they need to be. We tell the children we are practising for an emergency and give an example of if there was a dog we did not know on our playgrounds. The DfE strongly advise all schools to practice lockdowns to ensure children and staff know what to do in the event of a real-life incident. We do not tell parents when we have practised either a fire drill or a lockdown drill but if you would like more information, please speak to your child's class teacher.
