

## Science

In Yr1 the children will be learning about **Seasonal Change** and then categorising trees and plants.

In Yr2 the children will be focusing on **Animals including Humans** where they will be learning about animal life cycles

## History

This half term we will be learning about "**Grace Darling**". She was a lighthouse keeper's daughter and lived in Bamburgh. She is famous because she risked her life to rescue people from a shipwreck. We will be learning about her life and why she is still remembered today.

## Design Technology

The children will be learning all about the structure of a lighthouse. They will then be designing, making and then evaluating their own lighthouse. They will have to think carefully about the materials they need to use and how to join them together to make the lighthouse stable.

## P.E.

We will be continuing to focus on striking and fielding in **Games** so that the children can play games of Kwik Cricket and Rounders.

We will also be practicing and then competing in events for sports day.

## Parent's Curriculum Overview Key Stage 1 Summer 2 2025
